

Ray Marsh Drop Off & Pick Up

Let's work together to keep everyone safe and get in and out quickly.

Circle Drive

Pull ALL THE WAY around the circle drive or as far as you can, before letting students out or picking them up.

Parking Lot

PARK in a designated spot AND WALK your students across the drive, if they:

- Cannot unbuckle themselves,
- Cannot get out of the car quickly,
- Or, have a lot to carry.

Do NOT park along the curbs within the parking lot.
